"Parcel Land Sells for \$1 Record Shows - 80 Acres Change Hands in the Township of Portland.

Eighty acres of land changes hands for one dollar! This strange transaction took place in the County of Frontenac some months ago a search of deeds in the county registry office, disclosed today.

According to the indenture which contains the information about the transaction, Edgar Hughes of the Township of Portland sold 80 acres of his land to John R. Kerr of the Township of Camden + Garnet Kerr of Ottawa, joint tenants for the sum of one dollar.

The agreement goes on to say that "in consideration of natural love + affection" and the sum of one dollar of lawful Canadian money now paid by the grantees (John + Garnet Kerr), the grantor (Edgar Hughes) grants the <sup>tract of</sup> land to the grantees as joint tenants. It states that the land is composed of eighty acres composed of the northerly forty acres of Lot 13 + the northerly forty acres of lot number 14 in the 5th Concession of Portland."
